Product description **Particle filter mask with the indication KN95.**

Packaging description **White box, containing 20 masks and is not CE marked.**

Is the product counterfeit? **Unknown**

Is this notification linked to a Business Gateway case?

Type of risk **Other**

Risk description (technical defect and consequences)

The product advertises a protective potential against (viral) particles but its filtering capacity has not been tested by a relevant competent European conformity assessment body. Consequently, it is not proven that the product fulfils the health and safety requirements; thus, even if combined with other recommended measures, it may not properly protect.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the Personal Protective Equipment Regulation.

(Overall) risk level **Unknown**

Product category **Protective equipment**

Measures **Compulsory measures**
